

JSPMIC2023 Paper Award 受賞者

2023年10月16日(月)~18日(水)に同志社大学寒梅館にて International Conference on Powder and Powder Metallurgy, 2023, Kyoto (JSPMIC2023)が開催されました。

発表後に論文投稿があった中から選考を行い、下記の方に JSPMIC2023 Paper Award を授与することが決定しましたので、ご報告申し上げます。

Taiga UEHARA (Okayama University)

Shinya KONDO (Okayama University)

Takashi TERANISHI (Okayama University)

Akira KISHIMOTO (Okayama University)

“Doping Rare Earth Dependent Mechanical Strength Improvement on Reduction of Ceria Based Solid Electrolytes”

Kazunari SHINAGAWA (Kyushu University)

Kentaro KUDO (Kyushu University)

Noriharu YODOSHI (Kyushu University)

“Simulation of Anisotropic Sintering of Elliptical Particles by Combined PFM/DEM Approach”

Kojiro TAKAHASHI (Doshisha University)

Hiroto OHTA (Doshisha University)

Masaki KATO (Doshisha University)

“Synthesis and Magnetism of $X_2Co_{12}P_7$ (X = Group 3~5 Elements) with $Zr_2Fe_{12}P_7$ -type Structure”

Eri TAKAHASHI (Tokyo City University)

Akiko MORIMOTO (Tokyo City University)

Ayumi HAYASHI (Tokyo City University)

Naoto SHIRAKI (Tokyo City University)

Toshiyuki NISHIMURA (National Institute for Materials Science)

Satofumi MARUYAMA (Tokyo City University)

“Fabrication and Evaluation of the High-Temperature Bending Strength for Mo_2NiB_2 -Ni Cermets”
